

The Promise Path Oath

A Promise We Can Make Together

In Promise Path Woods, the friends are always learning how to grow kinder, braver, and wiser.

**Sometimes they make mistakes.
Sometimes they need to try again.**

But every day they try to take another step along the Promise Path.

You can walk the Promise Path too.

Let's say the Promise Path Oath together.

The Promise Path Oath

**Today I promise to try my best.
To be kind when someone needs a friend.
To tell the truth and do what's right,
Even when it feels a little hard.
To be brave when something is new,
And patient when things take time.
To keep my word and help others grow.
Step by step, choice by choice,
I will walk the Promise Path.**

Every small promise helps us grow.

And every step along the Promise Path makes the world a brighter place.
